We will run a Nation Wide Criminal Background Check on all applicants. A sex offender background check will also be conducted on all applicants and their spouses/significant others. Any convictions at any time will result in the application being denied. Any applicant with a Felony conviction shall be excluded from membership in The High Road on Dawson. Some Class-A misdemeanors convictions will also result in a denial of membership in the HROD. Any applicant that is denied acceptance shall have the right to appeal directly to the Membership Committee. A face to face meeting will be granted where an applicant can provide additional background information that may be considered by the committee. Committee recommendations are then forwarded to the Board of Directors for a vote. If applicant is again denied they may request a meeting with the Board for a final review. A vote to deny application at this point is then final.
